

Inviting all three-year-olds to come
and play at their local school !

Ready, Set, Learn

The North Vancouver School District welcomes three-year-olds with their parents, guardians, childcare providers, or early childhood educators to **Ready, Set, Learn** – a free early learning event funded by the BC Ministry of Education.

The **Ready, Set, Learn** initiative is aimed at helping preschoolers get ready for school. It recognizes that families need to establish positive connections with their neighbourhood school, and with early learning community partners who provide resources and information.

When you attend one of the North Vancouver School District's **Ready, Set, Learn** events, your three-year-old will receive a reusable tote bag, which will include a book, modeling clay, clay tools and dough recipes.

Event Schedule 2015

If you and your three-year-old would like to attend a *Ready, Set, Learn* event, please RSVP to the hosting school.
