Dear Parents and Guardians:

Re: Parent Portal Access

Last year, School District 44 adopted the online Parent Portal to communicate student learning. Within the transition process, parent feedback indicated the need for a more streamlined way for parents and guardians to access report cards, particularly in the cases of multiple children. For the past few months, the North Vancouver School District and the Ministry of Education have been collaborating to achieve this goal. Over the summer, accounts were merged so that an individual would have the same login for all of their children.

If you **had a MyEd account last year and have NOT updated/changed your email** please log in using your email and password from last year. Please note you will be prompted to set a new password immediately.
