Junior Boys clutched the Sea to Sky Championship Banner

Senior Boys won their Banner by a landslide

A group of approximately 18 young people, likely a school play cast, are posed on a stage set. They are all wearing brown, utilitarian-style uniforms with shoulder straps and have a large red nose painted on their face. They are in various poses, some with arms raised, some pointing, and some kneeling in the front. The background features a stage set with a brick wall, a balcony with a railing, and a doorway. The lighting is dramatic, with some areas in shadow.

Thank you !

The cast, crew and staff thank the Handsworth Community for their amazing support with the school play production of Fake
