

# Study Block Application

## Criteria

You may apply for a study block if you meet ALL of the following criteria:

1. You are in or going into Grade 11 or 12
2. You have a challenging course load and/or extraordinary extra-curricular commitments
3. You have a good attendance history (Grade 8-present)
4. You have a good record of citizenship

## Responsibilities

If a study block is granted, you have the following responsibilities:

1. During your study block you are expected to be either:
  - a. In the library/cafeteria/gallery studying (COVID protocols may prevent this)
  - b. In a classroom with a teacher's permission
  - c. Under the supervision/responsibility of your parents or guardian if you are off campus
2. In the event of an emergency/evacuation, you must check in at the command centre on the field
3. Be aware that the study block is not worth any course credit. By carrying less than a full course load, you will have fewer credits towards your graduation and your decision may impact your post-secondary options. It is your responsibility to determine how a study block will affect your graduation status and post-secondary choices. Note: a course enrollment minimum may be taken into account for honour roll and/or scholarships.
