## Attendance Matters!

As we near the end of the school year, we want to remind families the importance of regular attendance. There is a direct relationship between attendance and academic success in school. Students absent from class are missing out on key learning opportunities and chances to work cooperatively with peers and teachers. Therefore, every attempt should be made by students and their families to minimize the amount of time absent from school.

Please take a look at the Attendance Matters flyer below, and feel free to contact the grade counselor if you have any questions.

[AttendanceMatters PDF.pdf](#)

This is a reminder **to please report (via email) your child's absence to the office** if it is excused. We only call/email home unexcused absences, not lates. Please contact your child's [grade counsellor or administrator](#) if you need support with school attendance.

Please refer to the Handsworth website: [How to report your Child's absence](#)

## Guide for Parents – How to Add SchoolMessenger to your Safe Sender List

Schools use SchoolMessenger to send important emails to parents (this includes your student's unexcused absences). To help parents not miss vital school information in emails that are directly sent to a parent's junk mail folder, please visit or refer parents to the parent portal for tips and videos on the [SchoolMessenger](#) page.

If you are not receiving communication from SchoolMessenger, you may have accidentally unsubscribed from communication. Please contact the school office via [email](#) to have your email address removed from the blocked list.

# THANK YOU FROM THE CAST & CREW OF THE ARCHITECT OF LOVE!

The April 30 and May 1-6 Architect of Love show was a huge success! The comedy was first created by the 2020 grad class, which they did not get to perform due to Covid. As part of our annual tradition, many 2020 to 2024 grads came to watch the show on alumni nights. We performed the show six times, including a full grade 8 matinee and full grade 7 matinee. ## June is National Indigenous History Month

June is National Indigenous History month, and Saturday June 21st is National Indigenous Peoples day. For generations Indigenous groups and communities have celebrated their culture on, or around June 21st, because of the significance of the summer solstice as the longest day of the year. This day and the month of June are dedicated to honoring the heritage, history, resilience and diversity of First Nations, Inuit, and Metis across Canada. Join us in celebrating the stories and achievements of local Indigenous people at one of the several local events hosted by NVRC taking place this June. You may also take part by learning more about Indigenous culture and traditions with some of the resources available through our public library.

# Student Spotlight—Pride Club Members Visit Canyon Heights

Last week, three students from our Handsworth Pride Club, representing grades 8, 9, and 12, had the privilege of visiting Canyon Heights Elementary School to speak with students in grades 5, 6, and 7. The focus of their presentation was on recognizing and addressing casual hate, as well as introducing queer theory. The students explored the concepts of binaries and spectrums, while also discussing strategies for promoting inclusive and compassionate language in both their peer groups and on social media.

The Handsworth representatives—Red, Artemis, and Graeme engaged with the younger students in an open and heartfelt way, answering questions with honesty and warmth, fostering a meaningful connection. These talks were organized in observance of the International Day Against Homophobia and Transphobia, which takes place every year on May 17th. This day serves as an important opportunity to raise awareness, combat discrimination, and challenge the violence and prejudice faced by LGBTQIP2SAA individuals. It encourages people to speak out against hate, stand in solidarity with the queer community, and advocate for a world where everyone can live with dignity and freedom from discrimination.

## Join the HPAC!

We're on the hunt for fresh faces! And we can't raise money for Handsworth without you! (No actually! If we don't have an active PAC we lose our ability to apply for things like the gaming grant, which generates a great portion of our fundraising every year.)

Joining the team means you'll have a say in decisions that directly impact our children's daily lives. PAC is also a wonderful way to meet other parents and stay in the know about what's happening at school. Whether you are a social media expert, event planning enthusiast or simply eager to learn, we welcome your talents. (We especially need people with financial experience but all positions are open.)

Please email [hpacnominations2025@gmail.com](mailto:hpacnominations2025@gmail.com) with questions or for more information.

**Next PAC Meeting: May 26th – @ 7pm IN PERSON** in the Handsworth Library Learning commons. Light snacks and beverages will be had. We hope to see you there!

## Message from RCMP: Warmer Weather Brings Increase in Bike and Scooter Thefts

With the return of warmer weather, the school district is seeing an increase in scooter and bike thefts from school bike racks. These thefts are often crimes of opportunity, and unfortunately, students' bikes and scooters are frequent targets.

### A reminder to students and families to:

\* Record the serial number, make and model of their bike or scooter, and keep it somewhere safe in case it needs to be reported stolen (a photo is also helpful).

\* Use a high-quality U-lock or heavy-duty lock (not just cable locks as they have been easily and quickly cut).

For more information regarding bike theft prevention, please see latest media release from the RCMP: [North Vancouver RCMP - Bike theft prevention: tips to help you keep your ride](#)

## Garbage Issues in the Community

*Parents/Guardians:* please take a moment to speak with your students about their garbage while out in our community, particularly while at lunch but also before and after school. We have had several neighbours complain about the amount of garbage on the street/in their yards. Let's work together to keep our community clean!

Thank you

## Att: All Drivers!

## Safety and Flow in the Parking Lots During Drop Off & Pick Up

A reminder that our parking lots are designed for one-way traffic movement only.

When travel by car is necessary, we ask parents to **make use of designated drop off areas** located at the front of the building ONLY. **The west parking lot is NOT a pick up zone.**

To ensure flow, please DO NOT STOP IN THE MIDDLE OF THE PARKING LOTS OR ON THE STREET FOR DROP OFF.

***If other family members/caregivers are driving, please remind them of our parking lot rules***

As always, we continue to encourage students to walk, bike or transit to school whenever possible.
