Dear Grade 8 Parents and/or Guardians and Students,

**Subject: Grade 8 Intramurals - Postponed**

Hello! I wish to update all families regarding our grade 8 intramural league at Handsworth this year. Due to recent developments and based on the feedback we've received, all intramural activities are currently postponed. Thank you to the families who provided feedback on the proposal. Safety has been, and always shall be, our number one concern at Handsworth. We are going to take a step back and re-evaluate how to safely proceed with intramurals.

I understand that many students were excited about grade 8 intramurals and are likely disappointed with this decision. My colleagues and I want to review our protocols and safety measures so that each student who participates is safe and has a fulfilling experience. Once we are satisfied that intramurals can proceed in safe manner, information will be communicated to families via email.

If you have any questions or concerns, please don't hesitate to contact me via email ([space@sd44.ca](mailto:space@sd44.ca)). Thank you so much!

Sincerely,
