Upcoming Events

Engineering Explorations 10

Saturday, March 5, 2016 9:00am - 3:30pm

Grade 10 Girls - join us for an exciting day of exploration. Find out more about engineering as an expanding field. Get creative and participate in fun engineering activities.

Tour engineering labs, connect with like-minded students, and talk to current engineering students and professors who will share their stories and experiences. Discover an empowering career path to engineer a new world.

This event is **FREE** but space is limited so RSVP soon.

Lab Tours

Join UBC Engineering for guided lab tours to give you an idea about what engineering is all about and what kind of research engineers do.

Friday, January 19: 3 - 4:30pm
Friday, February 19 3 - 4:30pm
Friday, March 18: 3 - 4:30pm
Friday, April 15: 3 - 4:30pm

Join Our Mailing List

Subscribe to our mailing list and we'll let you know about all of our upcoming events!

UBC Engineering Physics Info Event

Sunday, January 24, 10:30-3:30pm

Free orientation event to visit research and teaching facilities, meet students and faculty, and discover the unique breadth and opportunities.

Doors open at 10am. Lab tours, student discussion, and light refreshments. RSVP by January 20.

Geering Up After-School Clubs

Join us for hands on engineering and science every Wednesday. Dissect a squid, build a rocket, or program your own video game.

Projects are decided by the club group, so bring your biggest ideas and come on down!

Wednesdays, 5:30pm - 7:00pm

Geering Up In-School Workshops

Geering Up offers workshops consisting of exciting demonstrations, interactive experiments, and hands-on activities during May and June.

Booking starts February 1.
