

June 15, 2020

Dear Parents of our new Kindergarten Students!

We extend to you and your child a very warm welcome to Highlands Elementary School! The staff, students and parents at Highlands are confident you and your child will find our school community a safe and stimulating place to learn.

Due to the pandemic, we are unable to hold our usual parent information session and school visits by our new kindergarten students. However, we have attached some important information to this email for your review, including a fillable form to be completed and returned to highlands@sd44.ca by June 22. Also, our Parent Advisory Council has provided some information for you. In addition, our Kindergarten teachers have created a short welcome video that can be viewed on the school's website: <https://www.sd44.ca/school/highlands/Pages/default.aspx#/=>

You can expect to receive an email from the school at the end of this month with some additional information regarding September school opening. This information will be subject to change based on direction from the Provincial Health Officer and the Ministry of Education.

Once again, welcome to Highlands!

Sincerely

Todd Henderson
Principal

Nadya Rickard
Vice Principal
