

Larson School Supply List Grade 4 English 2021/2022

We will be offering families the opportunity to purchase School Supplies through the school again this year. We have established a fee of **\$42** per Grade 4 (English) student, we feel this will be sufficient to purchase school supplies for these students for the 2021-2022 school year. School Supplies can be purchased through the school using SchoolCash online by **June 10**. School Supplies will be ordered over the summer and will be available to students upon their return to school in September 2021.

This fee covers the cost of basic school supplies. In September, individual teachers may request additional supplies for student use at school.
