

Week at a glance:

- Mon
- Tue
- Wed International Day of **PINK**
Homework Club 8:15-8:45am Library
- Thu
- Fri Hot Lunch - Subway / Booster / Cobs
Homework Club 8:15-8:45am Library

Intention of the Week:

Information & Updates:

Track & Field: The Track & Field season is starting for students in grades 4-7. We had a huge turnout of students interested in participating. Thank you to Mme. Stephania for organizing and the many staff who are volunteering to coach.

Student Behaviour: We have seen a decrease in name calling and physical reactions by students. We are very proud of them for this. There are still incidences though, so we will be keeping up the efforts to educate and deal with such behaviour with the focus on ensuring that Larson is a safe place for everyone. Thank you parents and guardians, for your efforts at home to help educate your children on appropriate strategies to manage their big feelings.

Extra Recess on Tuesday, April 9th: The Orca board is FULL! Congratulations to our Larson students for demonstrating random acts of kindness, consideration and good community around the school.

Traffic Update: As the weather gets more pleasant, we encourage families to try to walk or wheel to school if you can. This will also help reduce the amount of traffic in front of the school.

Wheels on School Grounds: Please remind your children that on school grounds, they must be off their wheels (bikes, scooters and skateboards) and walking. This is for the safety of everyone.

International Day of Pink: On Wednesday, April 10 wear **pink** to celebrate visibility in all its forms - being seen, acknowledged, respected and listened to.

Reminder: School Based Professional Day - Monday April 15. Students not in attendance.

Celebrating Student Learning:

Division F07 Louisy-Daniel

Division F13 Davidson

Division F06 Mme Cynthia

Division F11 Terrillon / Robitaille

Well done ORCAs!
