Information & Updates:

Adam's Apples Foundation - Larson students are eating apples up in bushels! Larson is very grateful to this Foundation for their generous weekly donation.

Contagious illnesses: If your child is sick, please keep them home so that they can get better and not spread illness to others.

If their symptoms persist, please consult a doctor and if the doctor prescribes antibiotics, please keep your child home for at least 24 hours and until they are symptom free.

At school, we will continue to encourage children to wash their hands regularly. If a child has cold and flu symptoms at school, we will call home and ask that they be picked up.

We appreciate your help in keeping Larson a safe and healthy place to learn and work.

Professional Day: Friday, Feb. 16th, classes not in session

Happy Lunar New Year: Saturday, February 10th is Chinese Lunar New Year. Gung Hay Fat Choy everyone!

Orcas: Our goal of reinforcing positive behaviour has been going well. All staff have been looking to reinforce and reward this behaviour by handing our Orca slips. Keep up the great work Orcas!

Salmon Welcoming: On Thursday, February 1, Dallas Gus, from the Squamish Nation, lead the entire school in a salmon welcoming ceremony for the salmon eggs. Students participated in cedar brushing of the tank to provide good wishes.
