LARSONPALOOZA

A big shout out to the Larson PALS team, who put on a really fun event and fundraiser for our school community. From Mr. Yeo making a splash in the dunk tank, the hilarious donut eating game, exciting rides and the always popular cake walk, this event really had it all.

Thank you to all who volunteered to make this such a wonderful afternoon of fun for Larson families!

WALK/ROLL/BIKE TO SCHOOL WEEK

This year's Walk/Roll/ Bike to School Week was a huge success! Students did a great job and many prizes were handed out last week. Last Monday, we announced the two classes who really made an impact and put a lot of effort into participating, and they were Division F06 and Division E03!

HOMESTAY FAMILIES URGENTLY NEEDED

Each year, the North Vancouver School District welcomes students from around the world to live and study in our vibrant community in the International Program. We strive to place secondary school international students with families who live close to school to support each student's integration into the school and wider community.

We still have several secondary school international students in need of a homestay placement for the school term beginning September 2025. If you are interested in hosting an international student, please reach out to our International Education program office at international@sd44.ca. More information about the homestay program is available on the [International Education](#) section of the school district website.
