### The Foundation Skills Assessment

The Foundation Skills Assessment is an annual provincewide assessment of all B.C. students' academic skills in Grades 4 and 7, and provides parents, teachers, schools, school districts and the Ministry of Education and Childcare with important information on how well students are progressing in the foundation skills of literacy and numeracy.

The FSA will be administered throughout the month of October. Please contact Mr. Yeo with any questions

## YOUR PHOTO DAY IS APPROACHING!

### Celebrating Birthdays

We love celebrating our students' birthdays and making them feel special! To help us keep all children safe and included, we ask that families **do not send food or treats** to school for birthday celebrations. Our teachers have unique and meaningful ways to celebrate each child within the classroom community—whether through songs, special activities, or classroom traditions. Thank you for supporting us in making every child's birthday memorable in a safe and inclusive way!
