- November 25 International Day for the Elimination of Violence Against Women and Girls
- November 28 Cool Hair Day

#### Remembrance Day

On November 11th at 11:00 am, Canadians from coast to coast pause to honour and remember our Veterans. At Larson, we will gather for a thoughtful assembly on Monday to help students learn about our history and recognize the many contributions of Canadian Veterans who have helped shape the country we live in today.

Poppies will be distributed in classrooms on Monday morning before the assembly.

**We will be accepting donations on Monday for poppies to support Veterans and their families—thank you for your generosity.**

#### Free Online Parent Workshop with Saleema Noon! (November 18 and 21)

**Talk to Your Preteen (Before TikTok Does) How to Have Smart Conversations About Consent, Confidence, Relationships & Online Life**

In less than an hour, parents will walk away with practical strategies (we're talking word-for-word scripts!) for having meaningful, connected conversations about all of the above. She'll also be sharing a brand-new resource tackling newer and urgent challenges preteens face today like **sextortion**, **deepfakes**, **consent** and harmful messaging in 'the manosphere'.

### Why Healthy Snacks Matter at School

Healthy snacks help kids stay energized, focused, and ready to learn. They support growth, improve concentration, and encourage good eating habits. Nutritious choices also help reduce mood swings and keep kids feeling their best throughout the day.
