

Lynnmour/ Xá7elcha

We would like to acknowledge and thank the Coast Salish people whose traditional territory North Vancouver School District resides on. At Lynnmour/Xá7elcha we are grateful to the Skwxwú7mesh Nation and Tsleil Waututh Nation to be able to gather on this beautiful land to live, learn and share experiences together.

With much appreciation

This was a tough week for our Lynnmour/Xá7elcha community because of the unexpected news we shared with everyone. We greatly appreciate those of you who trusted us enough to reach out directly with your questions and concerns, and when we were unable to provide more information, you recognized that there is a bigger process at work. We will share information as we are able to but until then, please know that your child(ren) are safe here at school.

On behalf of the staff and office team at Lynnmour/Xá7elcha we would like to share our extreme appreciation for all of you who reach out with supportive messages to us this week. This special community has come together to support one another in a time that many needed someone to lean on. Thank you for the trust you have shown in us, the support you have given, and the kindness you have demonstrated.

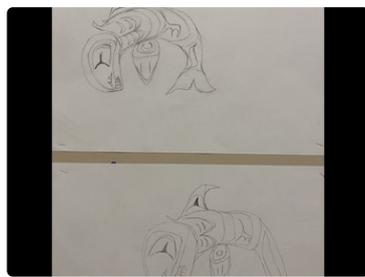

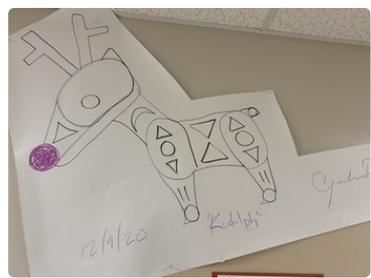

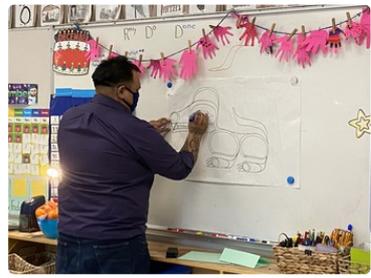

We would also like to thank the PAC Executive members for their communication and support throughout this week. We are both grateful to have you on our side. The open dialogue that you kept with us, was helpful to ensure that we were able to provide clarity as needed. Thank you for your time and efforts this week in particular. Our hands are raised in appreciation.

Sincerely,

Cindy and Leslie

Art and Story in classes....

Gordon Dick visited the Lynnmour/Xá7elcha classes this week. Gord's visit bring a chance for our students to explore and learn about traditional Indigenous artistic techniques from a wonderful Tseil-Waututh artist. It is also chance to connect with another member of the NVSD Indigenous Team who has ties to many of our families. We love having the opportunity to have Gord work with our students. Below are some of the samples of work that the classes did during his visits.

Crazy Hair Day

There were so many examples of CRAZY HAIR on Wednesday it was hard to limit it to just a few pictures! We loved seeing the smiles on the faces of our students who came with or those whom examined their friends' crazy hair-dos! Below are a couple of shots of the "crazy hair styles". Thanks Lynnmour for your participation in yet another fun day opportunity!

Hello from Ms. Shelley!

We know that the sudden disappearance of a beloved Lynnmour/Xá7elcha family member was a surprise to many. Shelley needed to take a medical leave that began in November and we want to reassure you that she is thinking of you all! In a conversation with her this week she wanted to share a very happy "hello" with everyone. She is doing well and missing you all.
