

Lynn timer/Xá7elcha

We would like to acknowledge and thank the Coast Salish people who's traditional territory North Vancouver School District resides on. At Lynn timer/Xá7elcha we are grateful to the Skwxwú7mesh Nation and Tseil Waututh Nation to be able to gather on this beautiful land to live, learn and share experiences together.

A big THANK YOU to our PAC

Oh behalf of the staff and students, we would like to take this opportunity to thank the Lynn timer/Xá7elcha PAC for their partnership over the course of the year. We would not have been able to provide many opportunities to the students without their support and funding. Multiple field trips, bus transportation, First Aid training, Performance group assemblies, and additional supplementary classroom funds are just a few of the activities that are funded by our wonderful PAC. The staff and students are incredibly grateful for the work that you do and the funds that are raised to enhance the program opportunities at school.

Welcome to Lynn timer/Xá7elcha

While there are a few staffing farewells that we have already had to announce there are two "welcomes" that we can now confirm.

We would like to welcome **Mrs. Regan Rankin** to our Lynn timer/Xá7elcha Learning Services team! Mrs. Rankin brings a wealth of knowledge in supporting complex learners of all strengths and abilities. We look forward to having her join us for the upcoming school year!

We are also excited to have **Ms. Claire Dickens** join our teaching staff for the upcoming school year! She will be joining our wonderfully caring staff and we look forward to the energy and ideas she will bring to the team.

We will confirm staffing positions and further additions to our staff in September.
