

# Lynnmour Learning

*We would like to acknowledge and thank the Coast Salish people who's traditional territory North Vancouver School District resides on. At Lynnmour we are grateful to the Skwxwú7mesh Nation and Tseil Waututh Nation to be able to gather on this beautiful land to live, learn and share experiences together.*

## Raven

Raven teaches us to be creative thinkers.

## Resources/Support for families - COVID

During this challenging time, families may need a little extra support. [Family Services of the North Shore](#) is available to help with everything from parenting support, mental health support or CoVID-19 direct help and much more. Please don't hesitate to reach out to them if you need to.

The North Vancouver School District team has compiled a vast amount of resources that may also help families during this time. Please follow the link to the [NVSD - COVID Resources for Parents, Educators, and Students.](#)

**Learning at Home**

## Designing and Constructing

Students were asked to design and build something out of materials at home. Jax designed and built this coaster! Great job Jax! Looks amazing.

## Digital Photography- Elements of Art

Examples of Students in Division 5 who explored elements of art through pictures. Texture, light, shape, etc. Jakob found a great example of light and shape! (Grade 3- Jakob)

## Visual Art - Digital Photography

A beautiful photograph of natural shape, texture and light! Thank you Axel for this great picture. (Grade 3- Axel)

## Moving?

If you and your family are relocating or if you have other plans for your child for the upcoming school year, please send a message to the school email account [Lynnmour@sd44.ca](mailto:Lynnmour@sd44.ca). It is important for us to have an accurate idea of our enrolment for the coming year. Thank you so much for your help with this!

## Reminder: Monday May 4th - Professional Day

Just a quick reminder that Monday May 4th is a Professional Day in the school district. Teachers will be continuing their learning journey in this remote learning environment. While some teachers may communicate their "weekly" email on Monday morning, to help with the consistency for students, most teachers will be unavailable to support students on Monday. Please give yourselves a break and enjoy a Professional Day yourselves. Teachers will return to regular support/communication duties on Tuesday May 5th.

## Hello from Lynnmour Staff

Please check out our VIDEO MESSAGE to our students! We miss you all!!  
[Hello from Lynnmour](#)

## House Team HOME Challenge! (POINT UPDATE!)

We have had many submissions for this week April 27-May!

Congratulations Lynnmour. It has been so fun to see what you are all up to!

Please see the link to the [Lynnmour Website](#) for more examples of the wonderful ways our Community is staying in touch and having fun! One activity our staff did for "Together Tuesday" was to create a little "Hello" to you all!! (link is above) Thank you to Mr. Turco for your creativity and production skills!

## Connecting with Families and Students

The Ministry of Education requires teachers to connect with students on a weekly basis. Please see the link to the school [website](#) for further information that was sent to families on Wednesday April 28th.

## Parent input for Class Placement for 2020-2021 school year

School staff will begin the process of collaboratively building classes for the 20-21 school year in the weeks to come. This is a complex task that involves many factors. We do our best to consider the needs of all of our learners throughout this process.

We know that during this time of remote learning, many of you are getting to know your children's learning skills in a new way! If you are interested, we would like to offer families and opportunity to provide input/insight into your child's learning environment for the upcoming school year. Please note that this is completely optional, you are not required to do this.

**We respectfully ask that you use the fillable form on our website to convey your requests.**

For clarity purposes we will only be using these documents when it comes to class building for next year. If you have previously submitted a separate request via email, we do ask that you re-submit using this form so that your request may be honoured.

Thank you for your understanding regarding this process.

[Link to Parental Input form](#)

## Artists for Kids

**Artists for Kids** is continuing to provide virtual resources for students! These experiences are designed to challenge K-12 students to learn through the lens of inquiry, allowing students and teachers to use the resource for interdisciplinary learning in Curricular and Core Competencies.

Check out their [website](#) for ideas and a four part video series featuring Janet Wang, District Artist-in-Residence, as a part of the virtual enrichment program!

## Strong Start North Vancouver

While our Strong Start locations are currently closed our Strong Start Facilitators are still working hard. They have put together a resource for families. Once logged into Facebook, search for **North Vancouver StrongStart** and "join" the group. It is a secure page, so the facilitators will add you to the group once you answer a couple of questions.

This Facebook page contains ideas such as art, science, stories, songs and other activities for families while we are at home during this time.
