March, 2022

Dear Parents and Guardians,

Welcome back!

It was wonderful to see so many happy faces yesterday! I hope that you all enjoyed some quality time together and had a good rest. As a reminder to everyone who is returning from spring break, we encourage you to review the federal travel guidelines for anyone returning from international travel, including mask requirements: [COVID-19 update](#).

Below you will find a few information items to keep you in the Lynn Valley loop!

Core Values Survey – Do this one now!

The Lynn Valley school community is committed to ongoing personal, professional and community learning. As part of the annual School Planning process, we invite you to do a brief survey to ‘check in’ on, and possibly update, our community Core Values. Staff and students have similarly been asked to identify their top three Core Values from a short-list of six which include: kindness, belonging, empathy, inclusion, respect and responsibility. Which are your top three values for our learning community? Click this link to tell us!

Student Learning Survey

Students and families enrolled in grades 4 and 7 will be receiving information this week about participating in this annual Ministry of Education survey so please check your email!

Emergency Release Drill – Friday, May 20th, beginning at 1:15pm.

Our school will be holding an Emergency Release Drill from 1:15-2:30pm on Friday, May 20th, the day before the Victoria Day Holiday long weekend. Please mark your calendars.

You will have the **option** to be a part of our whole school drill by taking part in a controlled release of students. Students whose families are not able to do an early pick up will be dismissed at their usual time. More information to come.

With kind regards,

Lisa Upton
Principal
