Homestay Families Needed

Each year, the North Vancouver School District welcomes students from around the world to live and study in our vibrant community. We strive to place secondary school international students with families who live close to their school to support each student's integration into the school and wider community.

There are secondary school international students in need of a homestay placement for the school term beginning September 2025. If you are interested in hosting an international student, please reach out to our International Education program office at international@sd44.ca. More information about the homestay program is available on the [International Education](#) section of the school district website.
