To Log a Student's Absence

SafeArrival is the best way to log a student's absence. This program will make it easier for you to report your child's absence (e.g. illness, vacation, appointment), reduce the time it takes school staff to verify student attendance, and make it more efficient for staff to respond to unreported student absences. With SafeArrival, you will be able to report your child's absence in advance using any of these three options, which are available to you 24 hours/day, 7 days a week:

SchoolMessenger App:

Use your mobile device to download the SchoolMessenger app, available at the Apple App Store, the Google Play Store or go.schoolmessenger.ca . The first time you use the app, select Sign Up to create your account. Important: Use the same email address your school has on record. Select Attendance, and then Report an Absence.

SchoolMessenger Website:

Open your browser and go to <https://go.schoolmessenger.ca/#/home> The first time you use the website, select Sign Up to create your account. Important: Use the same email address your school has on record. Select Attendance, then Report an Absence.
