Look for the **Pink forms** sent home with the students, or use the one below.

Be sure to return your consent form by Thursday February 6th.

The children will be working on a special art project and
The Card Project will turn their art into unique greeting cards!

The children will receive a **free greeting card** that showcases their own art.
To receive the free greeting card we must have parent consent. (see form below)

The back of their card is customized with their name and grade. (if we have consent)

This is a wonderful, creative fundraising initiative for our school.
We receive 20% of the sales.
