NXCE Basketball Team is in the Final Tournament!

Our team should be proud of themselves. They've shown excellent team spirit, teamwork, and fair play and are so far *undefeated*! We look forward to cheering them on during the final tournament that features teams from across the school district. No matter how they place, they have already shown that they are outstanding athletes. Go NXCE GO!!

Grade 3 “Who We Are” Sharing of Learning

Through their “Who We Are” unit of inquiry the Grade 3 students demonstrated understanding that “Our identity is shaped by personal experiences, relationships, and environments” (central idea). They were *knowledgeable communicators and risk-takers* (IB Learner Profile) who so proudly and ably shared their learning with other students, staff members and their families.

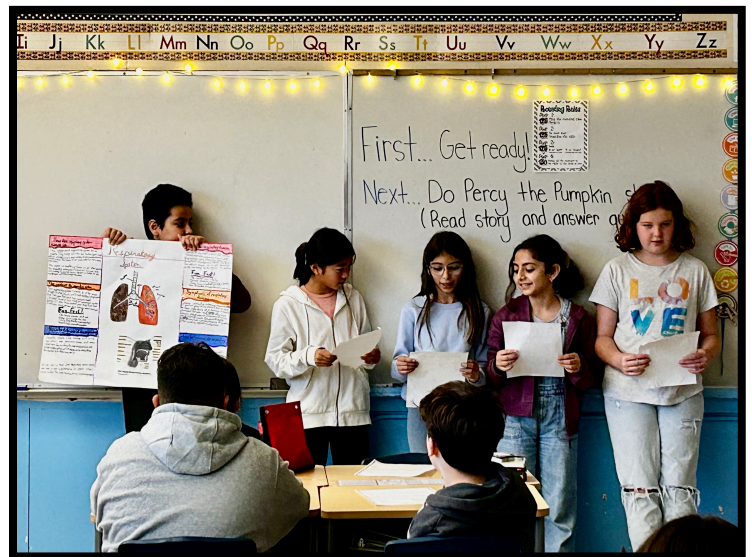

School-Wide Halloween and Diwali Dance

We had a fun-filled Halloween day at school! After our costume parade we gathered in the gym where we performed our Halloween and Diwali dance that Education Assistant Ms. Sura choreographed and taught the whole school. What a special way to celebrate Halloween and Diwali together!

Grade 5 Knowledgeable Communicators

The Grade 5s have been learning about human body systems. To share what they've learned they collaborated in small groups to create informative posters and presentations for their class. Through their projects, they learned important ways to keep their bodies healthy.

Survey for Our School Plan

As per recommendations from our IB authorization report, our school planning team has identified two school goals:

Student Agency - To help students develop the skills and dispositions to be actively engaged learners.

Community - To cultivate a collaborative, engaging, and aware learning community for students, families and staff members.

NXCE School Plan Survey

We would appreciate it if you can find some time to complete a short [survey](#) to help us gain better understanding of the extent to which your children currently demonstrate agency at home and/or in the community and to provide your ideas regarding how to enhance our school's sense of community. **This survey will be closed at the end of next week.**

Thank you for your input!

School Fundraisers

Purdys Chocolates

We will be partnering with Purdys to raise funds to benefit our school community. To participate in this fundraiser, please follow the steps below:

1. Open the [Purdys Fundraiser link](#):
2. Click on Norgate Community Fundraiser
3. It will ask you for your email and then it will ask for a code.
4. The customer # that they are asking for is **77294**

These steps will ensure your purchases go towards our school.

Please feel free to share this with friends and family.

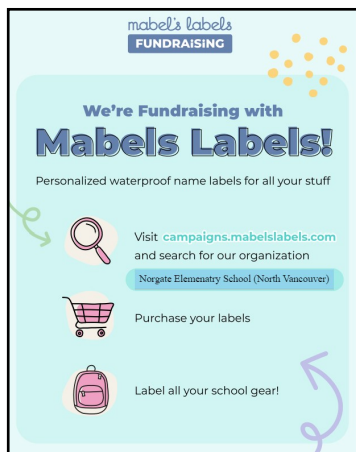

All items will be delivered to our school by December 5, 2024.

Please contact Ms. Michelle in the office if you have any questions or challenges with the procedure.

Mabel's Labels

These waterproof labels are great way to ensure your child's "lost" belongings are returned to them! They're also helpful if children have the same item to allow them to know whose is whose.

All funds raised through these initiatives will go directly towards enhancing your children's school experience through programs/other "special" events organized by our Community Education Facilitator. Thank you in advance for considering supporting our school through these fundraisers!

Please ensure you have set your clocks back one hour for Daylight Savings time!

LOOKING AHEAD TO NEXT WEEK (NOV. 4–NOV. 8)

Monday	Tuesday	Wednesday	Thursday	Friday
