

Exploring Neurodivergence: Pathways to Diagnosis

- Are you wondering if your child might be neurodivergent? (ex. Autism or ADHD)
- Are you curious about your child's behaviours and the behaviours of neurodivergent children?
- Are you unsure of the next steps to take to find out?

Then this workshop is for you!

Date: Thursday

November 7, 2025

Time: 6:30 - 8PM

Location: ONLINE

- Email to register
- Link will be provided once registered

Facilitated by Family Counsellor, Sabrina Trotter (BSc Psych, MSW), this workshop will outline the characteristics of ADHD and Autism, what they look like at different ages, steps to diagnosis, and resources and supports that are available. Additional time will be reserved for parent questions.
