

Dear Queen Mary Families;

April 10, 2026

Another interesting week at Queen Mary, however the beautiful weather has helped with keeping morale up! Spring really feels like it is here this and we have really enjoyed outside time this week. As we revert to the cooler rains next week. PLEASE check their attire before they leave home in the mornings to ensure they are well equipped for the weather of the day!. All students are expected to be outside rain or shine. We had many students come to school on the rainy days last week without jackets (especially the older students), and complained of being cold. Thanks for ensuring children are clothed appropriately.

With respect to the recent incidents of fire starting, we would like to let you know we have put significant preventative measures in place - we hope this reduces families' worries of these incidents being repeated.

IMPORTANT QM INFORMATION

TRACK and FIELD season is underway. Track practices began this week and the field event practices will start next week. Students in Grades 4-7 interested in taking part in Track and Field must hand in a signed permission form before taking part in any practices. Event practice days and times are included on the form. Students who missed the sign-up session last week can get a permission form at the office and submit it to join.
