IMPORTANT QM INFORMATION

Saleema Noon Body Science Sessions: Taking place in all classes January 27th - 29th

Elementary students throughout BC receive instruction in body science and sexual health education as part of the Physical and Health Education curriculum. From time to time, schools bring in experts in the field to address these topics with the school community. As in previous years, Saleema Noon Sexual Health Educators will be visiting our school on **January 27th, 28th, and 29th** to provide “Body Science” workshops for students in Kindergarten to Grade 7. PLEASE take time to read through the information letter being sent home with children today (also posted to website in Principal’s Messages section). Please contact your child’s classroom teacher with any questions.
