

Dear Queen Mary Families;

June 5, 2026

We are looking forward to a slightly less busy week ahead – a good chance to catch our breath before the flurry of year-end events and celebrations begin!

Congratulations to all 36 QM students who participated in the NVSD Elementary Track and Field finals! QM students proudly represented our school in a number of events, achieving personal bests in effort and performance. They are commended for their team spirit and encouragement of one another! Great thanks to parents who have supported their children through the track and field season, and to the dedicated coaches who volunteered their time over the past several weeks.

**Bike to School Week** may be over, but the health and environmental benefits of walking or riding a bike or kick scooter to and from school continues to be important! We had 182 students choose active travel options for getting to and from school this week! THANK YOU to **OBSESSION:BIKES** for setting up the bike service tent AND for supplying fabulous prizes to give away!

We encourage all families help their children choose wellness as a focus by walking or riding a bike or kick scooter to and from school, every day!

**Please remember** that it is against the law for anyone under the age of 16 to be riding an electric scooter. [LINK HERE](#) for all details sent previously to all families

### **LAST WEEK of the KIND MIND program!**

#### [The Kelty Foundation](#)

Thank you for making best effort to complete the weekly challenges in the booklets with your child/children over the past few weeks! We hope the activities prompted some meaningful discussions and reflections. The class prize draws will take place next Wednesday after the celebratory Confi-Dance – so you still have time to complete the challenges for your child to earn entries into the draw.
