***Students in grades 1 - 3 need to provide their own headsets that will be used throughout the year and will be returned at the end. Earbuds are not recommended primary grades.***

Note: When purchasing school supplies, please purchase quality supplies. "Bargain" brands often break or don't work. In particular, pencils, glue sticks, coloured pencils, and scissors of poor quality are frustrating for students and often require frequent replacement.

For Daily Physical Activity and Physical Education purposes, students must have athletic shoes at school every day.

Students are required to have the above supplies available at school at all times. It will be necessary to re-supply your child as the year progresses.
