Students in grades 1 and 2 and 3 need to provide their own headsets that we will use with many devices throughout the year and will be returned at the end. Earbuds are not recommended for children of this age.

* Queen Mary will supply a student day planner at a cost of \$6.00 (If parents do not purchase their own supplies and pay the school fee, this cost is included in the school fee).

Note: When purchasing school supplies, please purchase quality supplies. "Bargain" brands often break or don't work. In particular, pencils, glue sticks, coloured pencils, and scissors of poor quality are frustrating for students and often require frequent replacement.

For Daily Physical Activity and Physical Education purposes, students must have athletic shoes at school every day.

Students are required to have the above supplies available at school at all times. It will be necessary to re-supply your child as the year progresses.
