

Ridgeway's 2022-2023 School Plan Reflection

Areas to Celebrate in 2022/23:

- We refreshed our vision statement as a community (family and staff voice)
- We developed a shared understanding of deep learning (we met 2022/23 Objective #1)
- The students demonstrate knowledge of Ridgeway ROCKS in class and individual settings (Ridgeway ROCKS reflections and anecdotal feedback)
- We have made progress towards all our objectives
- We have an active and collaborative Professional Development team focused on School Plan goals and topics
- Teachers demonstrate significant progress in understanding the new reporting order through a deep learning lens
- Reflected
- We increased student voice on the school planning team
- We revived and increased Student Clubs and activities

Areas for Growth in 2023/24:

- Students apply Ridgeway ROCKS without direct adult support
- Supporting new families in transitioning into Ridgeway and BC schools
- Staff wide understanding of Second Step problem solving
- Continue to increase student voice on the school planning team

Our next steps:

- Develop new objective about deep learning and reporting order (we met Objective #1)
- Identify ways to measure progress for our new Objective #1
- Identify ways to measure progress for Objective #2
- Build student team to increase student input into plan
- Gather data to gauge progress:
 - Grade 3 survey in Fall 2023 (equity scan)
 - Ridgeway ROCKS reflections and behaviour tracking
 - Staff input (staff meeting grade group reflection time)
