Monday Message

Dear Ross Road Families,

This week at Ross Road the Second Step message classes are discussing is about Problem Solving:

Remembering the word "step," S-T-E-P, will help you remember the Second Step Problem-Solving Steps. Last week we were focussing on the S step, S: Say the Problem. This week we'll focus on the T step, T: Think of Solutions. Solutions help you solve the problem They're ideas about what you could do. Your solutions must always be safe and respectful. This week, if you have a problem, remember to say the problem and then think of solutions!

Health and Safety Reminders

An important communication was sent home Friday with all students in both hard copy form and via email. It is also attached here: We are seeking your support around the use of school grounds during the school day and before/after school. When dropping off/picking up from the school, we are requesting that you not gather on school property. Please maintain physical distance, limit interactions, remain off school grounds during school hours, and mask wearing is encouraged. Outside of school let's continue to follow the current [provincial restrictions](#). Your support and kindness is appreciated.

Reminder Report Cards and Parent/Guardian-Teacher Conferences

As previously mentioned, teachers will be communicating directly with families regarding conferences this term. If you wish to discuss your child's progress please email the classroom teacher directly to arrange a meeting. Here is the link to access your child's report card
