The [Ross Road school website](#) has essential information, links and a copy of all school-based communications shared with families. You were recently sent an important communication from the school district regarding the completion of **district permission forms** using the [school cash online](#) system. It is important these are completed in a timely manner. Please contact the office if you require support. We are happy to help.

Safe and Active Travel and School Speed Zones

Back to school is a great time for families to practice and make a plan for students to get to and from school in safe and active ways. Check out the [Safe and Active Travel](#) webpage for more information, including a new video featuring members of the school community.

We are looking forward to a great school year!
