Reminder: Grade 4 & 7 2025 Ministry of Education Student Learning Survey

The Provincial Student Learning Survey is used for planning in individual schools and provides a district and provincial perspective. Early in 2025 the Student Learning Survey will be administered to students in grades 4 & 7, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The survey can be completed electronically and can be accessed on the Internet at <https://www2.gov.bc.ca/gov/content/education-training/k-12/support/student-learning-survey>. The survey can be accessed through the link and by clicking on Take the Survey. On the login page, click on the Parents icon, and then select the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section. The e-survey site will be open until May 2, 2025.
