***École Ross Road Elementary School strives to foster an inclusive school community where everyone is valued and supported to realize their fullest potential as individuals and as a collective.***

### Monday Message

Dear Ross Road Families,

Welcome to March! As we transition into this exciting month, we have so much to look forward to. The school is filled with excitement and anticipation, especially with our school musical. This week, Ross Road's talented students will take the stage and showcase their hard work, creativity, and dedication. We look forward to you joining us for what promises to be an unforgettable performance. Additionally, don't forget that **class photos** will be taken on **March 10th**. Good luck to the Tripleball teams in the FOS tournament this week. Go Ravens!

As always, thank you for your continued support and involvement in our school community.

### **Reminder: Grade 4 & 7 2025 Ministry of Education Student Learning Survey**

The Provincial Student Learning Survey is used for planning in individual schools and provides a district and provincial perspective.

Early in 2025 the Student Learning Survey will be administered to students in grades 4 & 7, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement.

The survey can be completed electronically and can be accessed on the Internet at <https://www2.gov.bc.ca/gov/content/education-training/k-12/support/student-learning-survey>. The survey can be accessed through the link and by clicking on Take the Survey. On the login page, click on the Parents icon, and then select the school district and school name where

your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section. The e-survey site will be open until May 2, 2025.
