

## Grade 7 to 8 Transition to Seycove Secondary School

Dear Parents/Guardians of Grade 7 Students,

On behalf of the administration and staff of Seycove, we welcome you to our Seycove Secondary School community. It is with great anticipation and excitement that we look forward to the arrival of your child at Seycove for the 2026-2027 school year. This letter provides a brief overview of the process that your child will participate in over the next few months as they transition to high school.

Our transition program focuses on giving students and families' helpful information while providing an initial introduction to Seycove. This is also an opportunity for us to learn how we can best support our incoming students prior to their official arrival in September.
