Dear Parents/Guardians of Grade 10 & 12 students:

## ***RE: Student Learning Survey 2019***

The Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents, teachers and students on topics related to school environment, learning, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

The Student Learning Survey 2019 will be administered to students in grade 10 and 12 over the next couple of weeks. We encourage parents to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement.

The survey can be completed electronically **any time until April 30, 2019**; thereby providing immediate feedback to the school and district. Translations for parents are available in 18 languages.
