Dear Parent/Guardian,

Seycove Secondary students will be participating in an online school survey for students called the OurSCHOOL Student Survey. Please find the details of the survey implementation below.

Who: grade 8-12

When: Monday, April 29 – Friday, May 10

Where: Seycove Secondary

Why: This survey provides the school planning team with information, measures and indicators to assist in the development and evaluation of school goals.

## **About the OurSCHOOL Student Survey:**

- Allows students to share their feedback **anonymously** on their experiences at school, school environment and school improvement programs.
- Participation in the survey is **voluntary**, however all students are encouraged to participate.
- The time required to complete the survey may vary, but it is designed to be completed in approximately 40-50 minutes.

Survey measures include such topics as behaviours and attitudes linked to student success, emotional and social well-being and physical health.
