

*Please remember ... Wear a mask and physically distance ... we are all in this together.*

**Principal's Bulletin #20**

My apologies for the delay in getting this out to you.

We are almost at the halfway point of the year, and the Holiday break is a distant memory!

I would like to congratulate students and staff on your continued vigilance as we work diligently to keep our school safe. It is certainly easy to forget a mask in the rush to get to school, the number of masks that are being handed out continues to get smaller. Once again, students who do forget their masks are asked to enter the school through the front entrance of the school where masks are available.

As we wind down to the end of Quarter 2, just a reminder to students to continue the conversation with your teachers and ensure that all your work is up-to-date, as the turn-around to Quarter 3 is so short.

Information items are included below.

Please don't hesitate to contact me with any questions.

Be safe,

Rob McLeod  
Principal

All previously posted Principal's bulletins and communications can be found [HERE](#).

- **Food Delivery concerns:**

There have been a number of recent incidences of students arranging for take-out delivery to the school by services like "skip the dishes" or "Uber eats." This raises significant concerns around safety and is a breach of Covid Protocols. This activity is not permitted and will not be tolerated. Please ensure that your students have a healthy breakfast prior to coming to school, and encourage them to pack a snack to bring with them. Thank you for your assistance with this.
