Principal's Bulletin #39

June 20th, 2021

I am sorry for the delay in this week's bulletin. As you know, the Valedictory Ceremony taping was on Friday, and what a day! I am so proud of all our grads, and so very grateful to all our staff who worked so hard to make the occasion a special one for them. It was a picture-perfect day, full of so many smiles and cheers and ... truly a day of celebration and community. Even the many protocols that we needed to follow didn't seem to interfere with the festive feeling. Once again, we are reminded of just how incredibly special Seycove is and how fortunate we all are to be part of it.

Only 2 more days of instruction ... the last day of classes is on Tuesday the 22nd. I have included a timeline for the rest of the school year below, as there are still so many things still to do. Please check it carefully.

Most importantly, I want to remind everyone of the review and completion days. Please check in with your teachers and take this opportunity to complete and hand in any outstanding work.

This week's information items are included below. Please take a close look at the [Calendar highlights](#), as the days are full and will pass quickly!

Be safe and take care of each other!

Rob McLeod
Principal

***Important Timetable adjustment *** Monday June 1st

We have a school wide assembly scheduled for tomorrow, Monday. Unfortunately, a bell schedule was established without taking into consideration of the fact that the grade 10/11/12 students will be in hybrid classes and out of the building.

In order to ensure that we recognize the importance of observing the ***National Indigenous Peoples Day*** (and all of the hard work that has gone into the preparation of the assembly) we have made the decision to adjust the bell schedule by switching the order. Lunch break will now occur first with the presentation afterward, to ensure all students are able to participate.

The bell schedule will now run as follows:

Monday, June 21st

- **National Indigenous Peoples Day Presentation (Andrea)**
 - **Bell Schedule:**
 - 09:35-11:40 Period 1 (125 minutes)
 - **11:40-12:25 Lunch (45 minutes)**
 - **12:25-12:55 Presentation Assembly in class (30 minutes)**
 - 12:55-3:00 Period 2 (125 minutes)

*** The only significant change for our students is that grade 10/11/12 are asked to be at school by 12:20 in order to be in time for the assembly
