Deadline for missing book  
return

Parents/Guardians,

Unfortunately, we have a large number of textbooks and library books from Semester 1 that have not been returned. These books are now considered lost in our system and would cost the school in excess of \$3200 to replace. This represents a significant loss to our school that we cannot afford. We have reached out to the students individually without much success.

Lost/damaged textbook and library book fees will be placed on [School Cash Online accounts](#) if not returned. Please ensure you have your child(ren) return any book belonging to the school to Mr. Hughes in the Library, in order to avoid a fine.

# Celebrating Learning

Black History Month

## *black history month*

Social Justice 12

February is Black History Month - a time to celebrate the many achievements that Black Canadians have contributed to Canada's history and culture.

Choices

**Giselle Clarke-Trenaman**  
Presentation House  
Theatre

Production Coordinator from North Vancouver's Presentation House Theatre, Giselle Clarke-Trenaman, delivered two awesome workshops for Black History month to Seycove staff and students. On Monday, Feb 14th, she spent 2.5 hours with our Social Justice 12 and Law 12 classes to teach about Canadian Black History, Racism in Canada, Micro-aggressions and Allyship. Her presentation was received outstandingly well by the students because of her calm candour, use of lived experience stories, the arts and an array of musical pieces. The students learned "Wade in the Water" and sang in unison as they learned about slavery in Canada.

**Seycove Staff**  
Professional  
Development Day

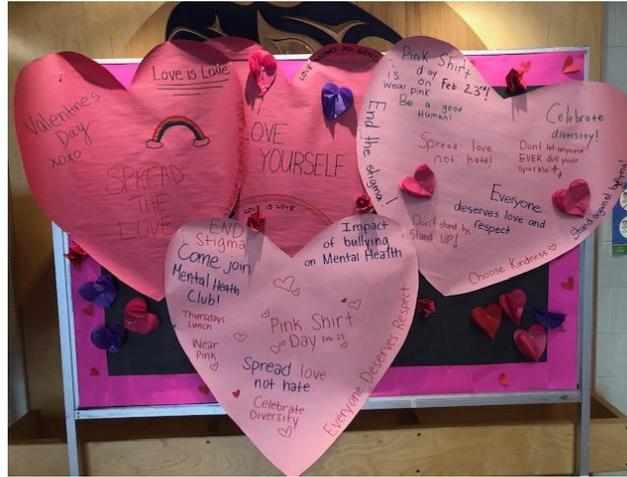

On Friday, Feb 18th, Seycove staff learned about Canada's Black history from an "adult/educator" perspective. Many staff said they learned things they didn't know about Canada's history. The Seycove community felt very grateful for these workshop experiences. And a huge thank you to William George Thomas, Tsleilwaututh Cultural Manager, for starting our day together with a land acknowledgement and welcome song.

**Pink Shirt Day**  
February 23

February 23 was **Pink Shirt Day**. Our diversity is becoming more visible than ever as people continue to embrace their cultures, identities, and true selves in more open and direct ways; making the need to **Lift Each Other Up** and having greater acceptance, respect, and inclusion for everyone so important. Thank you to all of you who joined us in wearing pink to celebrate our diversity and support anti-bullying in our community.

Be kind to yourself. Be kind to your peers. Be kind to your parents. Be kind to each other.

## PLP 8 and 9 Learning Advance to Loon Lake

The PLP 8 and 9 learning teams recently spent the week at Loon Lake Lodge, located inside UBC's Malcolm Knapp Research Forest on the border of Golden Ears Provincial Park near Maple Ridge.

The serenity of this beautiful setting was certainly pierced by the energy of 85 excited learners that embraced the challenge of living and learning away from the comforts of home. Being away in a new environment gave learners the opportunity to learn together, journey outside comfort zones, and have fun—all at the same time!

From eating new foods family-style, to tackling the rope ferry, shooting each other in battle archery, or doing a deep dive into team work, learners sharpened their abilities to work together as a team. Termed a “Learning Advance” (because we never retreat!), everyone came away from the experience with demonstrated growth in the three curriculum core competency areas: communication, thinking, and personal and social.

Overnight field schools are an important part of the PLP learning experience. Unfortunately, COVID-19 has made this component of the program impossible—until now! We can't wait for opportunities to go further afield and continue to grow together!

## Attendance Matters

We are nearing the half way point of Semester 2 and the school has been reviewing the attendance patterns of our students since the beginning of the school year. We recognize that we had a surge in illnesses due to COVID-19, but we have also noticed that students have been absent or late for other reasons.

Often the number of days or classes that students are absent for excused reasons accumulate without students and parents realizing how many classes have actually been missed. Moreover, unexcused absences, including explained unexcused absences and the number of times a student is late for class can significantly impact a student's ability to succeed with their learning.

Attendance is a critical factor impacting success at school for students. Studies have shown that consistent school attendance, academic success, and school completion all have a high positive correlation. Our staff is here to support and work with you and your children on increasing student attendance. If you have any questions or concerns, please do not hesitate to contact your child's grade counselor. If you have concerns about specific classes, please contact the classroom teacher directly. See the "NVSD Attendance Matters" information [here](#).

## Kerry Henderson Retirement

Happy Retirement to Kerry Henderson!  
After 34 years of teaching at Seycove, Kerry Henderson has retired and moved on to the next chapter in her life. To celebrate her legacy, Seycove Staff sang Kerry a song titled, "Seycove Legend", written by Yvette Narlock (Seycove Youth Engagement Worker) and sung to the tune of Bob Dylan's "Blowin' in the Wind". The chorus of the song is listed below. To see the lyrics for the entire song and listen to Yvette's recording of the song, click ["Seycove Legend"](#)

We'll miss you our friend  
Sweet darlin' Henderson  
Ya we'll miss you our friend

Oh and this is not the end

# Athletics

## Girls Basketball

The Senior Girls Basketball team finished the season with a heart breaking two-point loss in the qualifying round for the BC Provincial Championships. For graduating team members Chloe Bradshaw, Esther Bradshaw, Danica Dorey-Havens, Maia Nelson-Russell and Brianna Norman this game represents the end of a journey together which started in elementary school. This includes Coach, Mr. Russell, who has been coaching them for the last 6-7 years. They have had great success in their five years, including a second place finish at the Grade 8 BC Provincials in 2018, and winning the North Shore Championship in Grade 8, 9, and 10. This season started with tremendous hope and had its fair share of injury and illness. Through it all, the girls were upbeat and resilient to the end, showing the true nature of their character. For this they should be heartily commended.

## Senior Boys Basketball

Good work this season from graduating seniors Charlie Cochlin, Jacky Jung, Julian Cortina, and Pablo Calderon. There were lots of strong performances from the grade 11's which prove that age is just a number. Their sights are set on next year's provincial tournament!

## Ski and Snowboard Team

Seycove's ski and snowboard team had a great season! 50 students of all levels participated in training and racing! Amelia Russel won first place in the snowboard event and Sean Song won in the skiing. Due to Covid concerns the team will not be travelling as a group to provincials.

## Spring Sports

Pre-season meetings have commenced for Spring Sports. Any students interested in Ultimate Frisbee, Golf, Badminton or Tennis, who did not attend the meeting, please see Mr. Cardle.

There will be a meeting for **Jr. Girls Soccer** tomorrow, Tuesday March 1, in Portable #26 at the start of lunch.
