## Welcome

We would like to thank the Coast Salish people, specifically the Skwxwú7mesh Nation and Tsleil-Waututh Nation, whose unceded traditional territory the North Vancouver School District resides on. We value the opportunity to learn, share and grow on this traditional territory.

HAPPY  
SUMMER

# Celebrating Learning

## Student Council Year End BBQ

The sun broke through for the last day of school and helped make the year-end BBQ even better! Students enjoyed the final school day with fun, music, food and prizes. Staff grilled up over 600 hotdogs while kids took their chance at the prize wheel, donut eating game and watermelon eating contest. Thank you to all the Student Council members for helping set up and clean up and thank you to all the staff members who grilled, prepped and distributed all the food. It was a great way to end the year and a very welcome event after having to pause it for the last couple of years.

A big thanks to our generous sponsors for providing some of the food and prize items: Thanks to Jeff Yuen at Weston Foods for all the hotdog buns; thanks to Parkgate Safeway for the chips and hotdogs; thanks to Cobs Parkgate for treat gift cards and thanks to Panago Northwoods for the pizza coupons.

## Graduation Ceremony Celebration Video

Please see the video in the link below, that captures the essence and celebration of the Grad Ceremony:

**North Shore Way**  
Hiking Program

Last year, Dr. Lorrie Welch worked with a small group of students to create a COVID friendly hiking program using existing trails on the North Shore. They called it the *North Shore Way* as a nod to the *Way of Saint James* aka *Camino de Santiago*. With the exception of the City of North Vancouver, it was cumbersome to work with the three North Shore municipalities and the Metro Vancouver Parks Board. This summer, primarily due to student Ander Bergman's excellent web page (which he built from scratch as a grade ten student), the preparation work has been much smoother.

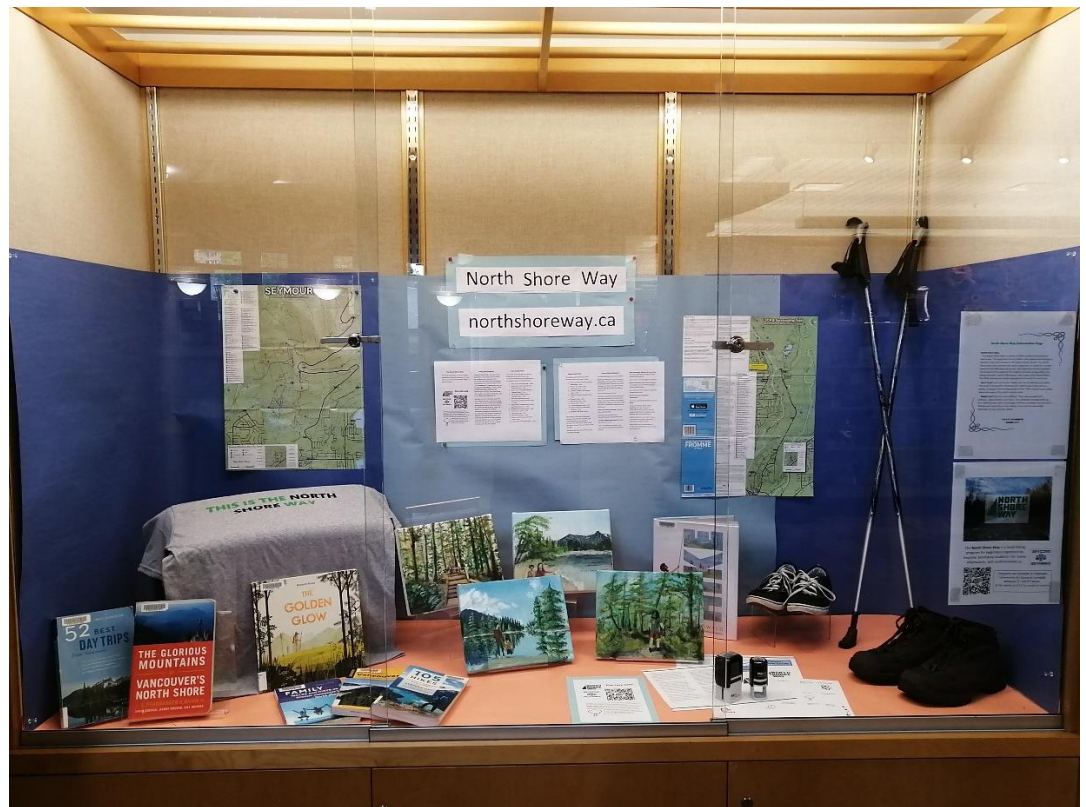

The **North Shore Way** is a local hiking program for beginners organized by Seycove Secondary students. For more information, visit [northshoreway.ca](http://northshoreway.ca).

Passports are available at CityScape  
Community Art Space on Lonsdale  
between 3<sup>rd</sup> and 4<sup>th</sup> Street.  
**\$5 for adults and \$2 for youth or seniors**

Parkgate Library will have a *North Shore Way* display window starting this week. Ashley Liu's art work will be the central focus of this display.

The *North Shore Way* passports will be sold at CityScape Community ArtSpace on Lower Lonsdale starting this weekend.

Please see the [North Shore Way brochure](#) or [website](#) for more information.

## PLP End of Year Banquet

On Friday, June 24th, 450 members of the Performance Learning Program (PLP) community came together to celebrate the end of successful year of learning. The celebration was an acknowledgement of all the hard work the learners have done—as well as an opportunity to have a lot of fun!

From sliding and running over a giant 60 foot inflatable, competing in the inaugural PLP Spikeball Tournament, laughing together over video compilations highlighting our successes (and occasional FAILures), and lots of tasty BBQ from Smoke and Bones, the PLP banquet had something for everyone.

We were so happy to see all our PLP learners and families, including our incoming new PLP learners currently in grade 7, as well as some special guests, like Board Chair Kulvir Mann. It was an incredibly special night for the PLP teaching team as we close the chapter on another school year and prepare to rest and recharge before the learning begins again this fall!

## Updates & Reminders

### 2022 – 2023 Time Table

In the Semester System each day is divided into four 70 minute classes, with a dedicated 42 minutes of tutorial at the beginning of each day, and a 60 minute lunch. Each morning from 8:30am to 9:12am is tutorial time where students should meet with their teachers for extra help, tutorials, or catch up on outstanding work and assessments. It is strongly recommended that students make tutorial time a regular habit and start to their day!
