

January 19, 2026

Hello Seycove Grade 8-11 Families,

The MyEdBC course request window **opens Thursday, February 5 at 4:00 PM and closes on Wednesday, March 4 at 3:00 PM.** Students and parents must log into their MyEdBC accounts starting at 4 PM to complete Course Requests for the 2026-2027 school year. Course requests are only taken online and need to be completed by 3 PM on March 4. Please read the instructions for completing online course requests attached to this email. Please see the information on the NVSD website regarding accessing MyEdBC: [MyEducation BC Parent Tips & Resources - North Vancouver School District \(sd44.ca\)](https://www.sd44.ca/MyEducationBC)

Students in grades 10 and 11 should research their post-secondary pathways of choice and choose classes accordingly for next year. Students in all grades should select a breadth of electives outside their required courses.

This is an exciting time of the school year, looking ahead at what a student wants to take next year and how that can influence their post-secondary pathways. Students and families are encouraged to review plans and enter the course requests in MyEdBC together. Students in grades 10-12 should read the websites of post secondary institutions of their choice and contact recruiters at those schools to find out more details related to post secondary planning.

Students in all grades can consult with their grade counsellor regarding their choices. Students should also speak with their current teachers for advice regarding what courses may interest them next year.

Kind regards,

Paul Ruben

Seycove Vice-Principal
