

Seycove Student C.L.A.S.S. Agreement

At Seycove, we believe in CLASS.

Consideration, Leadership, Achievement, Sportsmanship and Scholarship are achieved through the support and cooperation of staff, students and community.

The following code deals with student behaviour in all manner of activities at Seycove Secondary Community School. Students and parents are encouraged to thoroughly read in the Seycove Agenda Book about the expectations for acceptable behaviour before signing this code.

We are committed to an orderly and positive school climate at Seycove. We believe that such a climate is the base upon which we have effective teaching and learning. Our **Code of Conduct** is an important part of this, and describes student behaviour expectations and consequences for misbehaviour. An integral part of our Code of Conduct is our **CLASS statement**. Both the CLASS statement and the Code of Conduct are reproduced in the Seycove Agenda Book.

At all times, we will treat each member of **the Seycove community** (students, staff, parents and volunteers) and all visitors to our community with dignity and respect, regardless of gender, race and cultural background. In turn, as members of the Seycove community, we will expect to be treated the same way.

As participants in all **curricular and extracurricular events**, we will conduct ourselves just as we do in a classroom or anywhere on the school grounds. This includes dances, field trips, performing arts events, clubs, councils and on the way to and from school. Use the Code of Conduct reproduced in the Seycove Agenda Book as your guideline.

Computers are provided for educational purposes and we are responsible for appropriate behaviour on the **school's computer network** just as we are in a classroom or anywhere on the school grounds. It is expected that users of the school network will comply with district standards. The use of the school network is a privilege, not a right, and may be revoked if abused. District standards and school rules governing the use of the school network are reproduced in the Seycove Agenda Book.

As **athletes** representing Seycove we are expected to maintain a high standard of behaviour, attitude and sportsmanship. We must be cooperative with teammates, coaches, officials and volunteers. Our commitment to the team is for the entire season, including playoffs, and we are expected to attend all practices, games, team meetings and functions. Conduct guidelines for Seycove Athletics are listed in the Seycove Agenda Book.

We have read, understood and are willing to comply with the information above. We understand that by signing this code, we are agreeing to abide by these guidelines *throughout the tenure of our time spent at Seycove.*
