- Pro-D day 19<sup>th</sup> of January was held at the Lonsdale School District Office and a tour of the Art Gallery there. Each department discussed what is being offered within the school.

### **Other business:**

Discussed doing a joint venture with Cove Cliff and Windsor to offer more parent and student education events to help with various issues. We would be able to offer more and share the cost for some of the speakers. The first one is booked in the Cove Cliff gym for February 28<sup>th</sup>, from 7-8:30PM for Emergency Preparedness with Bernadette Woit. We've invited all the schools and we're hoping that there will be a pretty good turnout. I've also contacted the [getmykit.ca](http://getmykit.ca) people so that people can order their kits at the presentation. It's about 1.5 hours long and she'll cover everything. The cost is \$44, paid to the school district. The next topic is on vaping and marijuana which we are looking to offer in April, dates to be confirmed. We are looking to have "The Blanket Exercise" at Seycove. Dates will follow. It is a re-telling through role play and voluntary participation of our TRUE Canadian story as experienced by our First Peoples of Canada up until present time. It is a human story experienced through a human lens and facilitated by Indigenous leaders.

Close: 8:55 pm Next PAC meeting is March 13<sup>th</sup>
