Dear Coach / Sponsor:

It is through your interest, effort and willingness to sacrifice your personal time that we are able to carry on a strong athletic program at Seycove. Please use either of us to make your job easier, and at the same time ensure that the organizational details that must be looked after are met and done correctly. We are here to support you in any way possible and more importantly to assist you along the way during the season.

## **Seycove Athletic Philosophy**

The objective of extra-curricular athletics at Seycove is to foster a healthy appreciation for competitive sport, individual and team. Specifically, our program aims for the pursuit of excellence in the areas of commitment, competition, skill development, cooperation, sportsmanship, leadership, participation and enjoyment by students.

Seycove Athletics strongly recommends that coaches complete the National Coaching Certification Program (NCCP) theory and technical course in their respective sports. Seycove Athletics will offer any reasonable assistance to coaches in their efforts to provide high quality coaching to our student athletes.

### **Community Coaches**

#### Community Coach Guidelines (BC School Sports Handbook)

BC School Sports understands that Community Coaches are integral to the school sport system, and that they are necessary to ensure further opportunities for student-athletes. Recognized Athletic Associations, Member Schools and/or School Districts are encouraged to adopt the following guidelines to ensure that the philosophy, objectives and values of the BC School Sports system are maintained.

- 3.1 Community Coaches should complete the Community Coaches Application Form and submit a copy to the Athletic Director. The form will enable School Representatives to determine the qualifications and suitability of the prospective Community Coach to supervise and coach students of school age, and to receive from the prospective Community Coach authorization to conduct a Criminal record check.
- 3.2 It is strongly recommended that the Community Coach have completed a minimum of Level One Theory of the National Coaching Certification Program.
- 3.3 The School Administrator and/or the Athletic Director should meet with each prospective Community Coach to discuss school athletic policy and school sport

philosophy, ensuring that the coach understands:

- 3.3.1 the expectations for supervision of students
  - 3.3.2 emergency protocol within the school
  - 3.3.3 accountability for equipment, uniforms, finances
  - 3.3.4 league schedules and deadlines
  - 3.3.5 practice times, restrictions, policies and access
  - 3.3.6 school and/or district travel policies and insurance requirements
  - 3.3.7 the BCSS Coach's Code of Conduct and procedures
  - 3.3.8 the BCSS Eligibility Policies and procedures
  - 3.3.9 the decision making process and jurisdictional boundaries of the School, School <sup>[SEP]</sup>District, Athletic Association, Sport Commission, and BC School Sports
  - 3.3.10 required paperwork for team and player registration and entry into events
- 3.4 The School Administrator and/or Athletic Director should request and check at least <sup>[SEP]</sup>two references for each Community Coach candidate. Reference checks should include questions about previous conduct, suspensions or probationary penalties served, technical skill and ability, age group and/or gender previously coached and degree of commitment and interest.
- 3.5 The School Administrator and/or Athletic Director should undertake a Criminal Records check on the prospective Community Coach, looking for convictions under the Criminal Code of Canada, the Narcotics Control Act or the Food and

Drugs Act.

3.6 The BCSS Supervision Policies does not require that a Teacher Sponsor be present with adults who have been approved by the School Administrator. It is therefore strongly recommended that periodic observations of the Community Coach at practice and in competition be conducted by the Athletic Director, Teacher Sponsor, and/or Administrator.

### **Coaches' Responsibilities**

- Attend Seycove Seasonal Sport Meeting;
- Attend League Organizational Meeting;

### **Staff Sponsors' Responsibilities**

General duties of the Staff Sponsor include: managing the administrative aspects of the team (budget & finances, forms, uniforms, early dismissal slips, announcements, BC School Sports on-line registration, etc.). This frees the Coach up to focus on coaching. The Sponsor is also encouraged to attend practices and competitions as often as possible, and to report any team issues to the AD. Additional responsibilities include:

inappropriate coaching behaviour, etc.)

### **Guidelines for season overlap:**

- Coaches who anticipate a conflict between an in-season sport and pre-season tryouts shall communicate with each other and the Athletic Director at the earliest opportunity.
- Pre-season coaches shall request tryout times that do not directly conflict with in- season age-group practices and competition.
- In-season coaches shall not discourage their athletes from participating in pre- season tryouts.
- Pre-season coaches shall ensure minimal risk of injury and overtraining/fatigue to in-season athletes during try-out periods.
- Under no circumstances should a student be forced to choose between an in- season sport and pre-season tryouts.**

### **Discipline**

<sup>[1]</sup><sub>[SEP]</sub>Generally, discipline and control of athletic teams and individuals in inter-school competition at Seycove shall be the responsibility of the individual coach. The coach/sponsor has the initial responsibility to clarify goals and expectations of the program to all involved. The Athletic Director, and possibly the Athletic Advisory Committee, may become involved in a discipline issue:

- SEP a) When an individual or group of Seycove athletes competing are in violation of the student Code of Conduct (i.e. involved with drinking alcohol, smoking, or using drugs during a school sporting event or on a field trip);
- SEP b) Where an individual or group of athletes quits a team without a reasonable excuse (i.e. medical problem); SEP
- c) Where a representative of Seycove acts in such a manner that the integrity of our athletic program and school is questioned.

## **Athletic Fees**

An athletic fee is required from individuals participating on a Seycove team. Consideration will be given to athletes who have difficulty paying these fees. Students who are unable to pay part, or all, of the athletic fee can 'pay back' the cost by volunteering service hours to athletics.

All sport athletes pay a minimum \$40.00 athletic general fee, this fee helps cover the cost of the following.

(a.) NSSSAA fees, BC School Sports Fees, Athletic Awards, coaches support

Each program is then responsible to determine their program general athletic fee.

(b.) this fee will be deposited into the sport general account (e.g., *Volleyball General, Girls Basketball General, Rugby General*, etc.). This will be one source of funding for new equipment, uniforms, first aid equipment, coaches gear etc...

\*\*\*All athletes participating for a team must be informed of the

additional costs associated with playing on a particular team. This financial breakdown needs to be communicated to the parents.

## **Equipment**

The Athletic Department will make every effort to provide you with the equipment necessary for your sport. Please take the time to count items before and after a practice, and ensure that equipment is put away and locked up before you leave. The Athletic Department needs your cooperation in reducing the theft of equipment.

The Athletic Director will, in consultation with coaches, order all athletic equipment. If you need new equipment, please inform the AD.

## **Seasonal Budget / Financial Sheet**

Using the spreadsheet provided by the AD, identify the following:

-Revenue

-Seasonal expenses

Revenues must not be collected on the basis of creating a profit but rather, as reasonably as can be expected, should balance out with expenses at the end of the season.

## **Uniforms**

Uniforms will be administered by the Athletic Director in the following manner:

- i. Once fees are collected from athletes, The Athletic director will arrange a time to distribute uniforms.
- ii. Consideration will be given to athletes whose Coach/Sponsor has reason to believe they cannot pay.
- iii. Athletes are not to receive a uniform until they have submitted the required forms and fees. Participation in competitions will be suspended until they are collected.

b) Collection of uniforms should be done within one week of the end of the season. The coach/sponsor should set a final return date, and inform the student-athletes. The students must wash their uniforms before returning them to the sponsor. If the uniforms have not been returned by the pre-determined date the sponsor will forward the name to the Athletic Director.

c) A fee of \$200.00 will be charged to any individual who loses or ruins clothing or equipment that is the property of the school. This fee is at the discretion of the Athletic Director when considering replacement costs. In general this will be the deposit required at the start of each season.

## **Facility Scheduling**

Each season of play involves gym and field scheduling of teams to ensure equal practice and scheduled time for all teams. If coaches have particular requests for gym space they must communicate these to the Athletic Director in writing. The facility schedule will be sent out and posted weekly outside the Athletics office.

**Priority will generally be given in the following fashion:**

- A) Games
- B) Scheduling referees, scorekeepers, linesmen for games
- C) Bantam practices are given the after school times
- D) Juvenile practices are given the next earliest time slot
- E) Junior practices are given the next earliest time slot
- F) Senior teams are given the latest time slot
- G) Other in-school sports / activities
- H) Unrelated to school activities

## **Student Athletes**

### **Early Dismissal and Student Attendance**

Early dismissals are for the purpose of allowing students to get to **competitions** on time and not to miss class time unnecessarily. All early dismissals should a student fill out his/her own early dismissal form. Sponsors are expected to do their utmost to ensure that students miss the least amount of class time possible.

Coaches must be clear in communicating to their players that:

1) Students must present their early dismissal slips to the teacher at the **beginning** of the period politely asking for permission to be dismissed.

2) Also, students who utilize early dismissal should leave immediately from their class and assemble at the gym foyer to depart to their games.

**Attendance** in class on game days is **mandatory**. In the case that a student athlete has not attended classes but has arrived expecting to play that afternoon, coaches are asked to not dress that athlete for competition on that day.

## **Citizenship and Academic Performance**

### Academic/School Obligations

Student-athletes are expected to fulfill all school-related obligations prior to practice or game times. Student athletes are encouraged to stay for tutorial sessions when possible to ensure missed work has been completed.

## **Student-Athlete Guidelines**

It is the belief that extra – curricular participation by students at Seycove is a privilege provided that certain criteria are met by athletes. These include:

1. Exemplary class attendance.
2. Student – athlete behavior in classes and throughout the school is exemplary.
3. Students are doing their best to meet learning outcomes in their classes by completing homework and being prepared for class

It is the collective responsibility of coaches, student – athletes, teachers, parents, and administration to communicate with each other in regards to meeting the above criteria.

Coach, and Parent. In the event that a student – athlete is failing to meet behavioral and academic requirements all parties will work together to create possible solutions, including possible suspension from participation until the student – athlete can meet expectations.

A student must fulfill all disciplinary actions that may have resulted from a violation of school policy. – Be a champion on and off the playing surface

### **Removal from Team**

If an athlete removes him/herself from a team at any point of the season past the final tryout date, this is considered “quitting” the team. If an athlete quits a team, they are automatically suspended from all athletic teams for the period of one calendar year. They can apply to the Athletic Council to have it reduced through an evaluation process.

### **Volunteers**

1. Individuals who wish to act as volunteers must comply with the provisions of the North Vancouver School District Policy: Volunteer Forms are available directly from the Seycove school office.
2. It is the responsibility of the teacher staff member (coach/ sponsor) and/or Athletic Director to ensure that each volunteer has completed an application form prior to engaging in any coaching duties. Forms must be turned in directly to the office, or to the office via the Athletic Director, which in turn will be kept on file with the Administrative Liaison for Athletics.

## **Transportation of Students by Private Vehicles**

1. Students may NOT be transported in 15 passenger vans
2. Individuals who wish to act as volunteer drivers must comply with the provisions of the North Vancouver School District Policy: 607 Transportation of Students

In order to provide additional liability insurance protection to volunteers using private vehicles in the transportation of students to and from approved educational activities, the Secretary- Treasurer has obtained, from available funds, a Special Excess Third Party Legal Liability Insurance policy. This policy extends to unpaid volunteer drivers and all School District staff who volunteer to drive students but are not reimbursed by the Board for the operation of their vehicles, subject to the following provisions:

The volunteer driver has completed the “Volunteer Driver Application” form – *available at the main office.*

The “Volunteer Driver Application” form has been signed by a School District Employee;

The “Volunteer Driver Application” form is kept on file by the the Administrative Liason

- The activity to which students are to be transported must be a course of study or activity that is provided or organized by, supervised by, sponsored by, or selected by, an authority of a school

- The principal or the principal’s delegate shall, in each instance, give either verbal or written consent to the transportation of students by the volunteer driver (by default, the Principal’s delegate is deemed to be the teacher staff member (coach/ sponsor) and/or Athletic Coordinator)

- The volunteer driver must hold a valid British Columbia driver's license and the vehicle must be insured for the purpose for which it is normally used
- The volunteer driver must be the owner of the vehicle to be used or must be operating the vehicle with the permission and consent of the owner.
- The excess insurance policy shall provide only for an extension of the vehicle owner's third party liability coverage that is in excess of minimally \$1,000,000 and shall not provide the vehicle owner with any additional collision or comprehensive coverage.
- Neither the volunteer driver nor the vehicle owner shall be reimbursed for any expenses incurred for the use of any vehicle used in the voluntary transportation of students.

Students are transported to their destination via cabs or busses. If parents and/or coach choose to transport the students, please take note of the following:

All parents, staff, and students who transport for school sponsored events will be covered by School Board \$10 Million Insurance (Liability) providing the vehicle is not a rented vehicle. If a rented vehicle (even a school bus) is used, School Board Insurance does not cover.

### **Transportation of Students by Rented Vehicle**

If a rented vehicle is used to transport students, ***we must rent through Budget rentals*** and observe the following:

- The vehicle must have a Ministry of Transport sticker.
- The vehicle must have a permit to operate certificate as a school bus - Additional insurance must be purchased.

Coaches and sponsors who find themselves using rental means of transportation **must work with the Business Assistant** and must book **any order** through her. **Do not order** any taxis and buses without her knowledge. It is also the Athletic Departments belief that coaches and sponsors will be thrifty and conservative when ordering transportation and that every effort will be made to involve parents in the transportation of athletes.

### **Tournaments and Exhibition Play**

Coaches are welcome to organize their schedules any way they want to fit their own plans, but please keep in mind that:

1. Student – athletes have a priority to complete work to prepare for classes.
2. Coaches should adhere to basic coaching principles, which include a 2 to 1 practice to game ratio. Coaches should also be familiar with BCSS policy regarding length of season.
3. Cheques for entry fees will be written upon receipt of tournament paperwork including tournament location, entry cost, and dates. Coaches should submit these forms at the beginning of the season.
4. The Athletic Department is not responsible for any expenses incurred for any tournaments (i.e. Transportation, meals, and lodging etc.)
5. The Athletic Department will assist with expenses required by any team that wins the right to go to High School Provincial Championships (see Provincial Tournament Support).

**NB:** Costs of traveling to tournaments and exhibition games during the season is the responsibility of the coach/sponsor.

Efforts must be made to communicate to all athletes trying out for a team of the additional costs associated with playing on a particular team.

### **Provincial Tournament Support**

Teams attending BC Senior Provincial Tournaments may have access to the general Athletic Budget for accommodation while competing. In order to receive funds for a Senior Provincial Tournament coaches and/or sponsors are required to set up a meeting one week prior to the tournament with the Athletic Director and Athletics Administrator.

The following priorities will be considered in conjunction with the availability of funds.

## **Scorers, Timers and Referees**

Coaches are encouraged to recruit scorers, timers, and referees and give these names to the Athletic Director to enter on the master schedule.

Athletes will be asked to assist in the various sports in which they are involved. It is the expectation of the Athletic Department that **coaches strongly encourage** their student – athletes to help in this important area whenever it is feasible for the student – athletes to help.
