EXTRA-CURRICULAR ATHLETICS OBJECTIVES:

The objective of extra-curricular athletics is to foster a healthy appreciation of competition in the context of individual and team sports. Specifically, our program aims for the pursuit of excellence in the areas of commitment, competition, skill development, enjoyment, cooperation, and participation by students.

By virtue of being out of the school setting and in many cases, away from the home school, students on an athletic team learn to be ambassadors for their school, their community and even their country. They learn the realities of travel, the responsibilities and independence of self-governance, the communication skills and leadership skills necessary for teamwork, and the social skills necessary for a variety of circumstances.

PRE- SEASON MEETING:

(Optional for all sports with the exception of: football, rugby, alpine skiing, snowboarding, gymnastics, diving, wrestling, and mountain biking. Pre-season meetings are mandatory for the above-mentioned sports)

Meeting dates and times will be posted on our athletic website and communicated to parents through a synervoice or letter/email home by the appropriate coaches.

If the nature of the extra-curricular sport and/or athletic event exposes students to a higher than normally acceptable level of risk then a pre-season information meeting will be arranged for parents/guardians and students. The purpose of the pre-season meeting is to provide an opportunity for the dissemination of information and discussion, related to the inherent risks and potential consequences.

COACHES, SPONSORS(S) AND CHAPERONE(S):

<u>Name</u>	<u>M/F</u>	<u>Position</u>	<u>Phone Number(s)</u>	<u>Email address</u>
-------------	------------	-----------------	------------------------	----------------------

Please refer to our Athletics website and Coaches Contact page for contact numbers and email information for all of our school and community coaches.

LEVELS OF SUPERVISION:

The level of supervision is divided into direct and indirect. Direct supervision is the time students spend with a coach, sponsor(s) and/or chaperone(s), which is directly related to the extra-curricular sport and/or event. Indirect supervision is the time students may spend as “unstructured time” outside of activities that are directly supervised. Under indirect supervision, the students may not necessarily be in the company of a coach, sponsor or chaperone. It is expected that students, while under indirect supervision, will act with common sense in accordance with school and school district behaviour expectations. Coaches, sponsors and chaperones will determine the parameters of “unstructured time” and clearly articulate them to students. Students, when under indirect supervision, will be informed of how to reach a coach, sponsor or chaperone in the case of an emergency.

TRANSPORTATION:

Parent(s)/guardian(s) will arrange for transportation that best meets the needs of the extra-curricular sport/athletic event in question. Students are instructed to use the safest mode of transport available with the acknowledgment and approval of their parent(s)/guardian(s). The nature of each extra-curricular athletic event may determine the mode of transportation utilized.

- Students and parents are responsible for making their own transportation arrangements to all practices and/or competitions
- Methods of transportation may include walking, bike riding, private and/or public transportation etc.
- When traveling to and from extra-curricular athletic events, all parties are expected to observe the provisions of the motor vehicle code and safety codes as related to walking and/or bike riding
- Parent(s)/guardian(s) should be aware that their son/daughter may be transported by a volunteer driver

Volunteer drivers are expected to comply with the provisions of School District Policy 607: *Transportation of Students* by familiarizing themselves with the Policy and signing the *Volunteer Driver* form available from the school. School District Policy 607: *Transportation of Students* is available for viewing at www.nvsg44.bc.ca.

RISKS AND CONSEQUENCES:

There is a degree of risk in all daily activities. The risk is increased to varying degrees when students are away from the safety and supervision of the school setting. It is impossible to itemize every possible element of risk associated with an extra-curricular sport and/or an athletic event. Generally speaking, this event may include, but not be limited to the following inherent risks and all risks associated with:

A. Travel to and from the event venue(s)

Participation in extra-curricular sports and/or athletic events involves travel to and from the home school. Risks associated with travel, may include but are not limited to: mode of transportation, environmental conditions, distance, traffic conditions, etc.

B. Active participation in the sport and/or athletic event

Basketball is a sport with a level of inherent risk and potential consequences, which may include, but is not limited to: bodily injury ranging from incidental to potentially fatal.

Students have been briefed on the risks involved in playing extra-curricular Basketball and on the appropriate precautions to be taken. Students are required to complete and sign the *Student Awareness of Risk and Responsibility Form* in order to demonstrate full understanding of the expectations, risks, safety precautions and responsibilities associated with Basketball before being permitted to participate.

C. Spectating

Coaches, sponsors, chaperones, and students will do all they can to ensure a safe and controlled experience to reduce inherent risk. The consequences of risk are, again, myriad and dependent on the situation. Students and parents need to be aware that injury can occur from risk, and that injury can range from minor to fatal. By virtue of signing this "Informed Consent" document, you are acknowledging your understanding and acceptance of the inherent risks and possible consequences associated with this extra-curricular sport/athletic event.

ASSESSMENT OF STUDENT SKILLS AND ABILITIES:

Before students may participate in any planned extra-curricular sport and/or athletic event, they must assure the coach(es), sponsor(s) and chaperone(s) that they have the necessary and required skills, training and common sense to participate in the activity. Due to the nature of inherent risks associated with basketball, the coach(es), sponsor(s) and/or chaperone(s) must be assured that students have the necessary and required skills, training, and common sense to realistically participate in the activity at varying degrees of competence.

In order to ensure that the participant has an appropriate level of competence and skill to actively participate in this athletic activity, he/she will be required to provide a self-assessment on the *Student Awareness of Risk and Responsibility Form*. It is important to note that students are solely responsible for being forthright and honest in declaring their level of skills and abilities in the "self-assessment" section entitled, "My level of skills and abilities" on the *Student Awareness of Risk and Responsibility Form*.

BEHAVIOURAL EXPECTATIONS, SAFETY RULES AND REGULATIONS:

While participating in extra-curricular high school sports and/or athletic events, it is important that students are aware that behavioural expectations are governed under the B.C. High School Sports Code of Conduct, the School Code of Conduct and the School District Student Conduct Policy. Furthermore, students represent their school and District at all times when traveling and participating in extra-curricular school sports and/or athletic events and as such are accountable for their behaviour.

The overarching principle of all school-related activities is to ensure the safety of the individual and group at all times. Students must always be concerned about their own safety and the safety of others at all times.

- All school rules, the School Code of Conduct and the School District Student Conduct Policy are in effect.
- Participants must stay in the area where the extra-curricular sport or activity is scheduled.

EMERGENCY PLANNING:

At least one supervising adult will have access to a cell phone and first aid kit. Student Emergency Procedure Plans/medical supplies will be brought for students with life-threatening medical conditions (e.g., anaphylaxis).

In the event of student injury, parents/guardians will be notified. In addition, supervising school personnel are required to record the details of any serious injury that may occur during athletic events and activities and, as soon as practicable, complete an on-line *Incident Report* submission.

MEDICAL/EMERGENCY CONTACT INFORMATION:

Parents/guardians are required to fill in the separate *Medical/Emergency Contact Information Form*. The information provided on the *Medical/Emergency Contact Information Form* is critical for guiding appropriate medical responses if needed.

TRAVEL/ACCIDENT INSURANCE:

Unless notified otherwise, the extra-curricular sport and/or athletic event in which your child is participating has not arranged group insurance for Travel and/or Accident Insurance. Parents/guardians are responsible for the provision of individual student Accident Insurance for their child if desired.

Individual student Accident Insurance can be obtained from companies such as www.iapkidsplus.com.

BUDGET:

Each team at Seycove will have a different fee assessment based on how the coach has organized the season. All fees must be paid prior to the start of the season for their son/daughter to be in good standing and eligible to play. Parents have two options to pay fees. 1). Write a cheque for the proper amount, payable to Seycove Secondary Athletics or 2). Follow the link to pay their athletic fees online through an e-cheque method.

A complete breakdown of each budget for each team will be posted on the Athletic website as well as a copy sent home with your son/daughter.

POLICY REGARDING CANCELLATION OF EVENTS/REFUNDS:

NOTE: If an extra-curricular seasonal sport budget requires the payment of a deposit and/or monies either in advance of the season or during the season and the extra-curricular athletic event(s) is cancelled either in part or in whole, or the schedule/itinerary altered, neither the school nor the Board shall be liable for any refund either in part, or in whole.

PARENT AND STUDENT RESPONSIBILITY:

Parents/guardians have the responsibility to determine whether the student may participate on the Basketball Team as demonstrated by the completion and signing of an *Informed Consent* form.

Parents/guardians have the responsibility to arrange extra accident or liability insurance.

Sincerely,

Peter Cardle – Athletic Director
