

January 14, 2026

Dear Parents, Guardians, and/or Caretakers of the Class of 2026,

Happy New Year! I hope you had a restful and joyful holiday season. As we transition into the second half of this milestone year for our Grade 12 students, I wanted to follow up on December's letter just so you have all this up-to-date information as we enter this final lap of grade 12. This is such an exciting – and sometimes stressful – time for our grads! I hope our students can continue to focus on their learning, on working towards their goals for post-secondary life, and on enjoying this special time as grade 12s.

It continues to be a privilege to work with this exceptional group of students, whose talents, stewardship, and community-mindedness were so evident in the events leading up to the break. As we move quickly into 2026, I look forward to continuing to celebrate our grads' achievements and to supporting them through these important final months of their high school journey.

Grad write-ups are read as students cross the stage to shake the principal's hand and receive their diploma on June 11th. Write ups are meant to be formal, articulate, and concise at only 50 to 60 words. There are instructions and examples in the Team message and in the form itself.

***NEW - CLC 12 – Capstone and Required 30 Volunteer/Work Hours**

A reminder for ALL grads - this year's **Capstone date is May 22nd**.

Please ensure all grads are working on their Capstone proposals and in regular communication with their CLC 12 teacher as the Capstone is a required component of the Grad Program in BC.

Also, students' mandatory 30-hour verification form is due next month. Students should continue to accumulate paid work and/or volunteer hours to put towards their 30-hour graduation requirement. If any grads are still looking to complete hours, they can see Ms. Yeo for volunteer opportunities.

Ministry Graduation Assessments

A reminder that all grade 12s are required to write three Provincial Graduation Assessments to graduate with a Dogwood as a part of the BC Grad Program. The Literacy 12 Assessment was rescheduled for grade 12s **next week**. If students missed this session or the previous Literacy 10 or Numeracy 10 Assessments, they could write these in April – please reach out to Mr. Ruben at pruben@sd44.ca.
