

Drama 9

Course Code: MDR-09

Drama 9 provides the student with a wide range of opportunities to perform using their particular skills and accommodating their interests. The objective of the course is to acquire proper knowledge of the Dramatic process and to practice the skills necessary to perform live on stage. Drama 9 is the next big step in acting, where students move away from smaller, individual type scenes and work collaboratively with their peers on larger live performances.

Prerequisite: None
