**Science 9:**

**Course Code: MSC-09**

Science 9 is an investigative course that is meant to engage learners and get them excited about science! Science 9 holds many real-world connections, through knowledge of the reproductive system, electricity and energy use in our society, ecosystem interconnectedness - and that's just to name a few! Science 9 allows for students to continue to develop their scientific skills, encouraging them to remain curious about the world around them.
