WORK EXPERIENCE

THE COURSE THAT GETS YOU WORKING

WHAT IS WEX?

Work Experience is a 4 credit course designed to get you real work experience in your career focus area. Along with fine-tuning your resume and cover letter, you'll get matched with a business where you can gain skills and learn more about your potential dream career.

COURSE COMPONENTS

Pre-Placement Assignments - these help determine your career focus and set you up with the tools to go out and get a job

Placement Activities - You'll do 90 hours on the job (or split between multiple jobs).

Post Placement Work - You'll evaluate your experience and examine the new skills you've gained. Your employer will also provide feedback.

WHY DO WEX?

- try out your dream job
- add valuable skills to your resume
- get valuable references
- get 4 credits
