

## Grade 3 Seymour Heights School Supplies 2025/2026

Dear Seymour Heights Families,

Please see below for a list of school supplies for your child's upcoming school year.

**Please do not write your child's name on any supplies.**

We encourage families to recycle supplies in good working order from previous years. For example, calculators, rulers, and pastels can be used for a number of years.

In September, after classes are finalized, your child's classroom teacher may require a minimum of two additional items specific to their division. As an additional note, please do not label duotangs and notebooks.

Thank you very much for the care you put into preparing your child's supplies.

Cindy Hudson and Lauren Vanderham
